Mumbai, India | Open to Relocate to UAE | +91-8208267265 | dr.suleman@outlook.com | [Portfolio](#)

PROFESSIONAL SUMMARY

Results-driven Hospital Operations and Quality professional with 13+ years in ICU, Emergency and Hospital Administration in NABH-accredited multi-specialty hospitals. Expertise in establishing and maintaining Quality Management Systems (QMS), patient safety, risk management, accreditation readiness (NABH – JCI equivalent), incident management and KPI dashboards. Currently Medical Head (Admin), Siddhachal Hospitals, Mumbai. Seeking Hospital Operations Manager / Quality Manager / Patient Safety roles in UAE with DHA/DOH-compliant facilities.

UAE TARGET ROLES

Hospital Operations Manager | Quality Manager | Patient Safety Manager | Clinical Governance | Hospital Administration

CORE COMPETENCIES

Quality Management System (QMS) | JCI / NABH / DOH / ISO Standards | Patient Safety & Clinical Governance | Accreditation Readiness, Audits & Surveys | Quality Policies, SOPs, CAPA | KPI Monitoring, Incident Reporting & Trend Analysis | Hospital Operations & Triage Management | DHA Regulations Awareness | Continuous Quality Improvement

PROFESSIONAL EXPERIENCE

Medical Head (Admin) | Siddhachal Hospitals, Lalbaug, Mumbai

2025 – Present

- Lead medical administration and operations; ensure compliance with quality standards and safety protocols using NABH framework, transferable to JCU/DOH environments.
- Develop and monitor quality policies, operational SOPs and duty rosters; drive inter-departmental coordination.
- Prepare quality reports and dashboards for leadership review; promote continuous quality improvement culture.

ICU / ICCU In-charge | Lion Tarachand Bapa Hospital, Sion, Mumbai

2021 – 2025

- Managed 24x7 ICU/ICCU operations, triage and emergency response; ensured documentation and clinical governance.
- Led quality and patient safety programs; analyzed quality indicators and implemented corrective actions.
- Collaborated with clinical and operational teams to improve patient outcomes and compliance.

ICU & EMS Intensivist – Hospital Operations | Advanced Multispecialty, BKC; Jeevan Jyot; Parking Plaza, Mumbai + Internship at Prince Aly Khan Hospital

2019 – 2021

- Handled OT, ICU, casualty and emergency medical services across multiple hospitals.
- Supported accreditation activities and operational HR at hospital level.
